

NEW

Snowbee® XSD

PRECISION FLY REEL SYSTEM

New XSD 460 and 1112 versions to follow soon ...

“At last a precision large arbor fly reel
in a lightweight die cast body”

Super smooth and efficient
XS multi disc drag and
simple left to right hand
change over.

The new XSD 780 from Snowbee has all the benefits of the original award winning XS but now in a lightweight die-cast alloy and with the quick interchangeable cartridge spools, the perfect partner to complete every fly fishing outfit.

Reel and 1 cartridge spool £50. Reel including 5 spools in kit, with reel case, only £80.
